

Project **Dignity**

Dignity Learn

Dignity Kitchen™

Dignity Mama

Dignity Outreach

An all-in-one platform for you to experience local food and engage in a positive social impact at the same time.

At the heart of our business is our approach to restoring dignity to the differently-abled and the disadvantaged through skills training and job placement, employment and integration.

Dignity Outreach

Singapore's "hawker culture" is now on the Unesco list of Intangible Cultural Heritages of Humanity. At Project Dignity we combine our passion for hawker food and the power of engaging the community to bring you several uniquely Singaporean experiences:

- Learn with Lunch & Outreach
- Learning Journey & Outreach
- Culinary Experience & Outreach
- Meaningful Makan Teambonding
- Cook, Bake & Serve

Held at Dignity Kitchen™ at Boon Keng, our hawker-focused programmes encourage interaction with Singapore's differently-abled community as well as a platform for Corporate Social Responsibility (CSR) activities which include teambonding, creating awareness of workplace inclusion, social entrepreneurship and innovation.
